And Harry Adams is Hot on His Trail. Pen and Pencil's Victory Over Crippled Columbia—The Columbia Club's Flat Entertainment. The Hinky Investigation Exonerating the Player—Other News from the Field of Sport.

Thursday night's games between the South Side and Knoke clubs closed the seventh week of the championship season in the South Side Bowling League, and perhaps decided the fight for the pennant. Knoke was defeated twice, and now the South Side club is in sole possession of the coveted end of the procession of eight. However, there is no double season over the creek, and in the next seven weeks any one of three or four other clubs has a chance to come to the front. The standing of clubs to-day is as follows:

Club	Won.	Lost	Per Cent.	Score	Score
South Side	12	2	.857	990	828
Knoke	10	4	.714	849	779

## BOWLING AVERAGES

Of the Players of the Wheeling League up to Date—The Leaders.

The secretary of the Wheeling Bowling League has compiled the averages of the players of the league for the eight weeks of the first series. This week the series will be completed, and the interest in the outcome is at a fever heat. The Brownies maintain their lead over La Belle by two games, and unless the leaders sustain a double defeat to-night when they meet The Brownies, they have the first series championship bag to a certainty. La Belle is just as sure to get second place, in fact all the Brownies can possibly do is to tie La Belle, which is not at all probable. For third place the fight is an interesting one between The Brownies, Nameless and Wheeling clubs. Either of the last named can tie the former, but both cannot, as they meet for the first time this season, on Tuesday night, on the Wheeling club's altity—two probable victories for Wheeling.

Columbia, Provident and Pen and Pencil are bunched in the fight for the lead in the second division, and the latter club has a chance to tie the holder of fifth place. Calumet will probably finish in a better position than eleventh, as the team finishes with the Lotus, the tail-enders. The clubs stand as follows:

Club	Won.	Lost	Per Cent.	Score	Score
The Brownies	13	1	.923	990	812
La Belle	13	5	.819	867	811
The Brownies	11	5	.688	877	799
Nameless	9	7	.563	859	780
Wheeling	9	7	.563	862	792
Columbia	6	10	.375	871	781
Provident	6	10	.375	828	769
Pen and Pencil	5	9	.357	897	760
Calumet	3	11	.214	836	725
Lotus	1	15	.063	730	717

The averages show Bernie McLure is still in the lead for individual honors with 151. Harry Adams, of Wheeling, has named Harvey of The Brownies and is in second place, while Hervey and "Jack" Wright are tied with 147 in third place. Other top-notchers are: Robinson, The Brownies, 144; Bishop, Columbia, 143; Grimm, Wheeling, 142; Hannan, La Belle, 140; Ebeling, The Brownies, 140. Following are the averages complete:

## THEY PLAYED IN LUCK.

Pen and Pencil Defeat the Columbia Team Twice.

After many weeks of what seemed an endless row of knock-outs, the Pen and Pencil team, of the Wheeling Bowling League, is enjoying an exceedingly pleasant sojourn on that by-way of experience very appropriately called "Easy street." Week before last the team did up the Lotus crowd, and Saturday night the same double dose of defeat was administered the Columbia team at Seibert's Garden alleys. The latter club was unable to have its full team present, otherwise the result of the first game would probably have been a Columbia victory. The next came, however, would surely have been a victory for Pen and Pencil, the margin being nearly 150.

In the first game Bishop, for Columbia, rolled high score, 165, and Borland, for Pen and Pencil, had 148. The score:

Pen and Pencil—Archer 108, Borland 148, Cassell 127, Handman 128, McMurchy 110, Blind 164; total 788.

Columbia—Seibert 117, Bishop 165, Brandt 122, J. Weisgerber 143, Blind 155; total 702.

In the second game the Pen and Pencil opened with a rush and had 470 on five frames. The team then fell and made only 325 on the last three frames.

Handman, the Pen and Pencil's new player, led with 149. The score in detail:

Pen and Pencil—Archer 128, Borland 108, Cassell 139, Handman 149, McMurchy 119, Blind 156; total 709.

Columbia—Seibert 137, Bishop 130, Brandt 137, J. Weisgerber 118, Blind 129; total 651.

## This Week's Games.

The schedule this week in the Wheeling Bowling League is as follows: Monday, at Wheeling park, Calumet vs. Pen and Pencil; Monday, at the Museum, The Brownies vs. The Brownies; Tuesday, at Wheeling park, Wheeling vs. Nameless; Wednesday, at Seibert's Garden, Columbia vs. La Belle; Thursday, at the Museum, Lotus vs. Calumet; Saturday, at Seibert's Garden, Pen and Pencil vs. Provident.

The Calumet club has signed the following new players: Herman Hess, O. B. Porter and George Martin; they are eligible to play on and after January 15. Nameless has signed George Kiddle and released Will Etzler.

## HINKY WAS BLAMELESS.

The Accident in the Yale-Harvard Game Not Intentional.

Immediately upon the close of the foot ball season, the Yale foot ball association, in view of the charge made against Captain Hinky, of the Yale eleven, requested the following gentlemen to investigate the matter: Professor E. L. Richards, Walter Camp, Henry E. Howland, George A. Adee, Howard Knapp, Eugene L. Richards, Jr., and others. The committee thus appointed was accepted as perfectly satisfactory to the Harvard eleven. Referee David Bovard's statement made public yesterday is as follows:

"I enclose a clipping from a New York morning paper of December 10. In it is stated that I saw Hinky 'knee' Wrightington. I wish to say that I did not only not see this, but I did see the play, and I was within a few yards of the men at the time. Wrightington was thrown perfectly fair, so his injuries were the result of accident, and not of malevolence on the part of any member of the Yale team. So much has been made of this particular occurrence that I feel that this statement is due as a matter of justice."

Alexander Moffatt, linesman; George D. Pratt, assistant linesman; Ivan McEldowney, referee; and Anson M. Beard, the Yale tackle, join in similar statements, exonerating Hinky from undue roughness.

## The Coming Glove Contest.

A meeting of the Columbia Athletic club was held yesterday to perfect arrangements for the glove contest to be given at its ball Thursday evening, December 20, between Charley Och, of this city, and Buck Stelzer, of Steubenville. The tickets have been issued, and a large block of them have been sold in Steubenville. A committee was appointed to arrange for electric light the evening of the contest. The club has also arranged for a wrestling match between Pete Davis and Frank Rause, preliminary to the glove contest. Both men are said to be very handy, and they will add much to the evening's entertainment.

## Regulars Batten by "Subs."

Last evening at the Wheeling Park alleys the "subs" of the Wheeling bowling club, captained by Will Manning, defeated the regulars, led by Captain Paul Royman, in three straight games. The scores were decisive in favor of the "subs," in the last being 240 pins. The best score of the evening was made by F. B. Neuhaun, of the "subs," 216.

## MARTIN'S FERRY.

Haps and Mishaps in the Thriving City Across the River.

The city council at the meeting on Saturday night passed a resolution to issue bonds to the amount of \$3,200 in eight different bonds of \$40 each at 6 per cent interest, to pay the remaining cost and expenses of the Fifth street improvement. The city solicitor reported the unanimous decision of the circuit court on the case, that this court sustained every action of the council, that it had been right all along and that Judge Driggs had strangely decided differently. The report was accepted as official and steps taken to pay the bill. On this the vote was unanimous. A resolution was passed for the continuation of the Broadway sewer to the river. The plans for the electric light plant were not there and nothing was done. Charles Seabright is to remove the gravel and put up a five foot fence in front of the McKim property on Hanover street at \$25, and the culvert at the corner of Hanover and Sixth streets is to be flushed out by the fire department.

Two thousand dollars was paid to the widow of Joseph Medill by the International Progressive Insurance Company, \$1,000 less than the policy. The physicians had reported the deceased uninsurable under the rules of the association, but in the face of this the policy holder was allowed to believe that he had been considered a proper risk, and his regular dues were assessed by the association and paid. Mrs. Medill preferred to accept a reduction of \$1,000 than have a lawsuit.

Use It in Time.

Catarrh starts in the nasal passages, affecting eyes, ears and throat, and is in fact, the great enemy of the mucous membrane. Neglected colds in the head almost invariably precede catarrh, causing an excessive flow of mucus, and if the mucus discharge becomes interrupted the disagreeable results of catarrh will follow, such as bad breath, severe pain across forehead and about the eyes, a roaring and buzzing sound in the ears and oftentimes a very offensive discharge. Ely's Cream Balm is the acknowledged cure for these troubles.
